The **Department of Military and Veterans Affairs**, also known as the state military establishment, has 3 primary missions: to execute the duties laid down by various statutes and the governor, administration of state-supported veterans' programming, and military preparedness to assist both state and federal authorities. The Michigan Army and Air National Guard constitute the armed forces of the state and serve under the orders of the governor as commander-in-chief. The governor appoints an adjutant general, without the advice and consent of the senate, to serve as commanding general of the Michigan National Guard and as director of the Department of Military and Veterans Affairs.

The **Michigan Army and Air National Guard** have a mission to both the federal government and the State of Michigan.

The primary military mission of the department is to recruit, train, and maintain the Michigan Army and Air National Guard as reserve components of the United States Army and Air Force for federal mobilization. Over 1,700 Michigan Army and Air National Guard members from 19 units were mobilized in support of Operation Desert Shield and Operation Desert Storm during 1990-1991. Guard members have also been mobilized for Operation Uphold Democracy (Haiti, 1995), Operation Joint Endeavor (Bosnia, 1996), and Operation Allied Force (Kosovo, 1999).

The state **military mission** of the department is to train and maintain national guard forces for the protection of life and property of Michigan citizens in natural disasters and the preservation of peace, order, and public safety. The Michigan Army National Guard assisted the state during the widespread thunderstorms in July 1997 and a severe storm in May 1998.

The department began transitioning into veterans programming in 1983 when it accepted responsibility for administering grants and appropriations for veterans' service organizations. Eight years later Executive Reorganization Order No. 1991-7 directed the transfer of Michigan's 2 state-supported veterans' facilities (homes) in Grand Rapids and Marquette from the Department of Public Health to the Department of Military Affairs, effective September 1, 1991, adding health care services to the department's traditional state property and infrastructure management activities. Effective September 6, 1995, Executive Order No. 1995-15 directed the transfer of the Michigan Veterans Trust Fund from the Department of Management and Budget to the Department of Military Affairs. Recognizing the department's expanded responsibility for administering all state-supported veterans' programming, the governor, via Executive Order No. 1997-7, renamed the department the Department of Military and Veterans Affairs on April 17, 1997.

The Department of Military and Veterans Affairs provides **support services** for approximately 11,000 military personnel constituting the Michigan National Guard. Approximately 3,000 full-time

employees (state and federal) are assigned to various divisions, sections, and units located in Lansing; at 51 armories across the state; 3 air bases (Selfridge Air National Guard Base, Alpena Combat Readiness Training Center, and Battle Creek Air National Guard Base); 24 maintenance shops; the 146,000-acre military reservation at Camp Grayling; and the 7,500-acre Fort Custer Training Center in Battle Creek. Camp Grayling is one of the finest military training sites east of the Mississippi and is a major economic asset to Michigan. Approximately 30,000 troops train at **Camp Grayling** annually.

Support services include the construction and maintenance of armories; receipt, storage, and distribution of all supplies, materials, and equipment used by national guard units; repair and maintenance of military vehicles and equipment; processing of military and civilian payrolls; preparation of state and federal budgets; maintenance of detailed records of all military personnel; arranging for and executing training programs; operation of a regional training institute; management of all real and personal properties of the department; and operation and maintenance of Camp Grayling, Fort Custer Training Center, and the 3 Air National Guard bases.

The department, through the Veterans Affairs Directorate, provides executive oversight and coordination for state veterans programming. Operations encompass the Grand Rapids and D. J. Jacobetti (Marquette) Veterans Homes, the Michigan Veterans Trust Fund and administration of annual legislative grants to veterans service organizations to help their service officers assist veterans in processing claims with the federal government. In the aggregate, veterans service programming accounts for over 63% of the department's annual state budget (FY 2000) of nearly \$95 million.

The department provides administrative support to the State Military Board, the Military Appeals Tribunal, the Veterans' Homes of Michigan Board of Managers, the Michigan Veterans' Trust Fund Board of Trustees, and the Michigan Vietnam Veterans Memorial Monument Fund Commission.

Executive Order No. 1991-7 transferred the board from the Department of Public Health to the Department of Military and Veterans Affairs, effective September 1, 1991. The veterans' homes provide both domiciliary and long-term nursing care for Michigan residents who were on active duty in the armed forces of the United States during a period of war. The Board of Managers exercises certain regulatory and governance authority regarding admission and member affairs, in addition to representing the interests of the veterans' community in both advisory and advocacy roles. Executive Order No. 1995-15 transferred the fund from the Department of Management and Budget to the Department of Military and Veterans Affairs.

The program, through county committees, dispenses grants to veterans, dependents, or survivors to relieve financial crises or hardship and secures shelter, food, medical treatment,

clothing, and other needs when an applicant is placed in jeopardy by circumstances generally beyond his or her control. Other functions include dispensing tuition grants to children of 100% disabled or killed in service veterans (Act 245 of 1935, 35.111 MCL as amended) and maintaining military records of the state's veterans.

The 7 members of the board are appointed by the governor to serve 3-year terms. Upon expiration of a term, a member may continue to serve until a successor is appointed.
